

ATTENTION PARENTS!

No time to bake? No time to volunteer?

*You can still help Cox High School in a **BIG WAY!***

And it will literally take you moments to do it!

Cox is partnered with organizations in the community that generously 'give back' a percentage of your purchases to the school. It has never been easier to help! Just LINK IT UP!

Farm Fresh

Pick up a key fob before you leave tonight! (We are no longer collecting Farm Fresh receipts.) If you get home and realize you didn't get one, have your student pick one up in the library.

Kroger Plus Cards

Cut out the Cox bar code below and tape it with clear tape to the other side of your Kroger Plus card. Ask the cashier to scan both sides of your card. You get your discounts, and Cox receives a percentage of the sale!

Harris Teeter VIC Cards

Link your VIC card to F.W. Cox High School, and a percentage of your purchase goes to the school. Visit www.Harristeeter.com and the Together in Education link. Account number 2917. You must link it every school year.

Target REDcard

Link your Target card to Cox High School through Target's "Take Charge of Education" program. Visit www.Target.com and click REDcard. Follow the directions to assign our school, listed under Cox High School – account number 104879.

AmazonSmile

If you make purchases through Amazon, please shop at www.smile.amazon.com instead. It is the exact same site as Amazon except that a percentage of your purchase automatically benefits our school. The first time you visit the site, designate F.W. Cox High School as the charity. After that, Cox will automatically benefit!
