

## Summer Fast Track Tutoring Information

Students who need to pass SOL tests for verified credits may participate in the Summer Fast Track Tutoring Program. This voluntary program is available to students who have passed a class and who were unsuccessful on the corresponding SOL test. The Fast Track Tutoring program consists of twenty-five hours of small group instruction followed by the retake test. The program is offered this summer at Bayside High School at no charge to students or parents, and students may ride the summer school buses. The schedule for each subject is listed below. (No Friday classes) Please note that online registration for the program is available. (<https://virginiabeach.revtrak.net/>) In-person registration will be held during regular summer school registration at Bayside High School, June 19 (5:30 p.m. - 8:30 p.m.) and June 20 (8:00 a.m. - 12:00 noon).
